when transitioning into their new home

## BUY WITH CASH

## MOVE ONLY ONCE

**Move directly into your new home** before selling your old home

## BUY CONFIDENTLY

Secure your dream home **in half the time** of a typical financed offer

## HOW IT WORKS

### 1. Get pre-approved

Get fully underwritten and pre-approved for a new home loan to ensure a smooth transition.

### 2. We buy your new home. You move in.

We provide a winning all-cash offer on your dream home and purchase it.

### 3. List and sell your old home

Once your old home is sold, you'll be ready to purchase your new home from Revive.

With a pre-approval from NEO Home Loans and an all-cash offer from Revive, you will be perfectly positioned to compete and secure your dream home.
